Navilock maptrip Aktivierung

Sehr geehrter Kunde,

hier können Sie die Aktivierung ihrer Navilock maptrip Lizenz durchführen. Bitte beachten Sie, dass der Lizenzcode einmalig ist und ausdrücklich an Ihre Hardware gekoppelt wird. Sie können maptrip auf einem PDA, Notebook oder PNA installieren, aber nur auf einem dieser Geräte freischalten und somit nutzen.

Eine Mehrfachnutzung ist nicht möglich!

Bitte füllen Sie das Formular vollständig aus.

Please enter your correct email address as you received the activation code via e-mail. This is possibly necessary to reinstall without any new register or support request. A new installation at any time by using this unlock code, as long as no hardware to your system has been modified (A SD card with a PDA / PNA has not).

You will receive accurate data, including a confirmation of the unlock codes on the screen.

If your hardware, such as Hard disk of the notebook or the device itself have been replaced, you need a new license key to maptrip back into operation. A license key is only a substitute against confirmation that the old system, the software is not installed and thus can be used.

Please understand that we send no new lizenz key without a receipt for repair or replacement. If you have a document of the repair or replacement from your local dealer, please send it to Navilock support@navilock.de

Telephonic requests for a new license code can not be edited.
