Navilock Laptop Security Cable with Key Lock 15.2 cm for Kensington Slot 3 x 7 mm

Description

This laptop security lock by Navilock enables to lock different devices e.g. laptop, projector, monitor etc. at any place.

Kensington slot compatible
This laptop security lock is compatible with the so-called Kensington slot. The Kensington slot is the 3 x 7 mm opening on the housing. On many devices this opening is marked with a lock symbol.
Because of the small design of the lock, this security cable is ideal for slim netbooks.

Space-saving

Due to the length of only 15.2 cm, there is no unnecessarily long cable on the table.

Locking up without a key
Due to the special mechanism of the laptop lock, it is possible to lock up without a key. The appropriate key is only needed for unlocking.

15,2 cm

Item no. 20941

EAN: 4043619209415

Country of origin: Taiwan, Republic of China

Package: Retail Box
