

Delock Cable protection sleeve 1 m x 28.5 mm black

Description

This corrugated plastic conduit by Delock can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage. In combination with the Delock conduit fitting 60455, it provides a secure and firm hold.

Excellent flexibility and resistance

The protective conduit is characterised by its high abrasion, temperature and chemicals resistance. In addition, the conduit has a high degree of flexibility to protect cables from excessive bending.

Multifunctional application

Due to the robust design and flexibility, protective conduits are often used in installations, automation and machine systems.

Note

The sleeve is suitable for the Delock conduit fitting 60455.

Ø 28,5 mm / 1 m

Item no. 60459

EAN: 4043619604593

Country of origin: China

Package: Poly bag

Technical details

- Length: ca. 1 m
- Diameter: ca. 28.5 mm
- Reusable
- Flexible
- Protection class: IP68
- Environmental temperature: -40 °C ~ 125 °C
- Material: plastic
- Fire-resistance rating: 94V-0
- Colour: black

Package content

- Protection sleeve
