

# Delock Cable Gland with strain relief and bending protection 90° angled PG11 grey

## Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes. The angled design is perfectly suited to use the cable gland in installation areas with limited space.

### Additional protection through strain relief

The screw-on strain relief fixes the cable and protects it from excessive bending, e.g. in machinery. The cable remains in their original position even during vibrations and they cannot fall out.

### IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

### Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.

**Item no. 60594**

EAN: 4043619605941

Country of origin: China

Package: Zip poly bag

## Technical details

- Thread size: PG11
- Thread length: 9 mm
- Spanner width: 22 mm
- Protection class: IP68
- Cable diameter:
  - min.: 5 mm
  - max.: 10 mm
- Operating temperature: -40 °C ~ 100 °C
- Material: plastic
- Colour: grey RAL7035

## Package content

- Cable gland
