

Delock RJ45 Modular Plug for self-assembly Cat.6A with robust cable plug housing and protective cap suitable for the Delock feed-through couplers 67061 and 67062

Description

This RJ45 plug by Delock can be used to assemble installation cables.

With cable plug housing and protective cap

The housing can be used in switch cabinets or distribution boxes for feeding through network cables. The protective cap protects the plug from damage and dirt.

Note

The cable plug housing is also optionally suitable for pre-assembled network cables.

Item no. 67056

EAN: 4043619670567

Country of origin: China

Package: Poly bag
