

Delock Data and charging cable USB Type-C™ to Lightning™ for iPhone™ and iPad™ 180° angled 2 m MFi

Description

This USB cable by Delock enables simultaneous gaming and charging of the smartphone with its 180° angle. Due to the practical angle, the charging cable is routed behind the smartphone and does not interfere with gaming.

With fast charge support, compatible Apple devices can also be connected to a USB Type-C™ PD charger for especially quick charging.

Item no. 80026

EAN: 4043619800261

Country of origin: China

Package: Retail Box

Quality and performance

Optically it convinces with its fine textile shielding and with its connector in metal housing. The high cable gauge of the power line with 21 AWG also supports a stable power supply up to 3 A.

MFi Certified

The MFi certification and the original Apple C94 connector guarantee full compatibility to all devices with Lightning™ connector.
