

Delock RJ45 Network Cable Cat.6A S/FTP with secure clips set 2 m black

Description

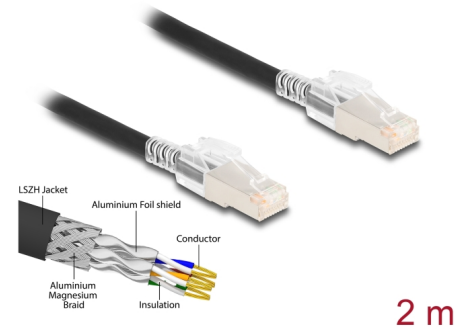

This RJ45 cable by Delock can be used to connect various network devices.

With coloured secure clips

The set includes coloured secure clips, which can be used to mark and secure the cable. The clip can be easily attached to the bend protection boot of the RJ45 plug on the cable.

With key for locking

The RJ45 plug can be locked in the RJ45 jack socket, e.g., on connection boxes or on panels and switches in the switch cabinet, to protect the cable against unauthorised use. To open the lock, the included key is required.

Item no. 80256

EAN: 4043619802562

Country of origin: China

Package: Zip poly bag
