

Delock USB 5 Gbps Port Replicator

Description

This Delock port replicator can be connected to a single USB port of your computer and expands your system by several interfaces, like USB, audio, Gigabit Ethernet, DVI and HDMI. The DVI and HDMI ports enable the connection of two additional monitors. The port replicator supports a HD resolution of up to 2048 x 1152.

Extended screen by Displaylink

Due to the Displaylink graphics chipset it is possible to use mirrored and extended screen functions on Windows and Mac OS operating systems.

Item no. 87568

EAN: 4043619875689

Country of origin: China

Package: Retail Box
