

Delock USB 2.0 Cable Type-A to USB Type-C[™] with RGB illumination 1 m

Description

This USB cable by Delock enables the connection between a device with a USB Type- C^{TM} connector and a PC or a laptop equipped with a free USB port.

RGB illumination

As soon as the cable is connected to a power source, the cable lights up in red and then changes to a soft colour gradient with eight different colours. The lighting is always discreet and inconspicuous.

Item no. 88164

EAN: 4043619881642 Country of origin: China Package: Zip poly bag
